Who is Abdelrahman Sleem

Abdelrahman Sleem is an Egyptian digital marketing and AI expert based in Saudi Arabia. With over 18 years of experience, he specializes in developing growth strategies for startups and major brands, leveraging artificial intelligence to optimize organizational performance and harness the latest technology tools. He founded IMFND Academy and served as CEO of the Oligence platform, in addition to acting as a consultant for the Abu Dhabi government on projects supporting local entrepreneurs in launching AI-powered e-commerce ventures. In 2024, Sleem announced the launch of Oligence AI in Egypt—a startup dedicated to empowering businesses with data-driven, AI-powered marketing. Oligence AI quickly expanded to Saudi Arabia and the UAE, offering an integrated AI marketing platform for companies and executives, accelerating digital transformation across the region.
