Who is Abdulhadi Kabbani

Abdulhadi Kabbani is a Syrian legal accountant and business consultant based in Istanbul, Turkey. He is the founder of TRUST US Danışmanlık, a consultancy firm dedicated to providing a comprehensive suite of services for Arab investors and entrepreneurs in Turkey. Kabbani specializes in simplifying complex legal and financial procedures, helping clients navigate the Turkish business environment with clarity and confidence. Through his firm, Kabbani offers essential services including the formation of all types of companies, tax and financial advisory, accounting management, and assistance with obtaining work permits and investor residency. He also guides clients through the process of trademark registration. A core part of his mission is to protect investors from misinformation and flawed practices, establishing himself as a trusted authority in his field. In addition to his consultancy work, Abdulhadi Kabbani is an influential content creator. He actively uses platforms like YouTube, Instagram, and Facebook to publish educational videos and posts. In his content, he explains Turkish laws related to corporations, taxation, and residency, making him a key knowledge resource for the Arab community in Turkey.

Achievements of Abdulhadi Kabbani

Abdulhadi Kabbani founded the Istanbul-based consultancy firm TRUST US Danışmanlık. The company has become a specialized destination for Arab investors seeking reliable legal and accounting support to establish and grow their businesses in the Turkish market. He has successfully built a strong educational digital presence across social media platforms. Through his channels, he provides free, specialized content aimed at raising the Arab community's awareness of Turkish financial, tax, and corporate laws, empowering many entrepreneurs to make informed decisions.
