Who is Abdulrahman bin Khuzaym

Abdulrahman bin Khuzaym is a Saudi content creator and documentarian who has dedicated his digital platforms to exploring and showcasing the rich heritage, tourist attractions, and major events of the Kingdom of Saudi Arabia. He is known for his distinctive style of producing short, engaging videos that take his followers on visual journeys across the country, from ancient historical sites to modern entertainment projects. His content largely focuses on highlighting the beauty and diversity of Saudi Arabia. He covers prominent national events such as the Saudi National Day and Founding Day celebrations, as well as massive entertainment festivals like Riyadh Season. Utilizing his platforms on YouTube, Instagram, TikTok, and Snapchat, he disseminates a wide range of content, from historical facts to reviews of contemporary tourism experiences. This work contributes to promoting domestic tourism and presenting a vivid picture of Saudi culture to audiences both within and outside the Kingdom. Through his efforts, he aims to build a bridge between the past and the present, offering glimpses into Saudi Arabia's ongoing transformation while preserving its cultural identity.

Achievements of Abdulrahman bin Khuzaym

Abdulrahman bin Khuzaym has established himself as a prominent digital documentarian of major national events in Saudi Arabia. He consistently provides extensive coverage of key happenings like Riyadh Season, conveying the atmosphere and details of the events to his followers, making him a significant visual source for one of the region's largest entertainment festivals. He launched an innovative series on his YouTube channel titled "A Verse and a Scene" (آية ومشهد), in which he connects Quranic verses with natural landscapes or real-world locations. This series has garnered widespread positive engagement, offering content that blends spiritual value with visual beauty, reflecting a cultural depth in his creative output. He has successfully built a strong and influential presence across multiple platforms, specializing in the tourism and heritage sector. He provides educational and entertaining content about the Kingdom's history and landmarks and actively documents the Founding Day and National Day celebrations, thereby contributing to the promotion of national identity and enriching Arabic digital content in this specialized field.
