Who is Ahmed Tahsin

Ahmed Tahsin is a financial expert and the founder of Tahsin Investments Co (TIC), a firm specializing in managed trading solutions for global financial markets. Born in Jeddah, Saudi Arabia, he moved to the United Kingdom for his higher education, where he studied Civil Engineering at London South Bank University, followed by a Master's degree in International Business from the University of Greenwich. His career began as a Civil Engineer at Balfour Beatty plc before he transitioned into sales and marketing. In 2020, Tahsin founded Tahsin Investments Co (TIC) to provide investors with structured alternatives in the financial markets. He relocated the company to Dubai, United Arab Emirates, in 2022 to scale its operations globally. With over a decade of market experience, Tahsin is known for his educational content and analysis on social media, including his YouTube channel and the "TIC Talks" podcast. He holds a Financial Influencer license from the UAE's Securities and Commodities Authority (SCA) and has been featured on prominent media outlets such as the BBC and Bloomberg.

Achievements of Ahmed Tahsin

Founded Tahsin Investments Co (TIC) in 2020, a company that provides managed investment solutions for investors in global markets. He successfully relocated the company's operations to Dubai in 2022 to pursue global expansion, building a trusted brand in the investment sector. Obtained a Financial Influencer license from the Securities and Commodities Authority (SCA) in the United Arab Emirates, reflecting his commitment to regulatory standards and credibility in the financial content he provides. This official certification distinguishes him as a trusted figure in his field. Built a strong media presence, being featured on international platforms like the BBC and Bloomberg, and speaking at multiple global financial expos. He also hosts the successful "TIC Talks" podcast, where he discusses economic trends and investment strategies.
