Who is Ali Mohammad Almousawi

Ali Mohammad Almousawi is a distinguished legal expert in Kuwait, serving as the founder and head of the Constitution & Justice Law Firm—one of the region's leading legal institutions. With extensive experience across all branches of law, Almousawi is recognized as a licensed attorney before the Constitutional Court and the Court of Cassation, granting him authority to represent clients in the country's most complex and sensitive cases. Beyond traditional legal practice, Almousawi is an active member of the Kuwait Lawyers Association and the Arab Lawyers Union, and is a certified judicial arbitrator. These affiliations reflect his commitment to advancing the legal profession both locally and regionally, solidifying his reputation as a trusted legal authority. In addition to his professional achievements, Ali Mohammad Almousawi is a prominent presence on social media, leveraging his digital platforms to promote legal awareness and simplify complex legal concepts for the public. His engagement bridges the gap between the legal community and society, helping to foster a stronger legal culture among citizens and residents in Kuwait.
