He also gives special attention to orphans, working to secure sponsorships and meet their needs.

Achievements of Baraa Malaika

Baraa Malaika leads an ongoing campaign titled "From a Tent to a House," which has successfully built and furnished numerous housing units for displaced people in Northern Syria. These homes provide a safe, permanent alternative to tents, protecting families from harsh weather conditions and offering them stability. He regularly organizes seasonal relief campaigns, most notably winter drives to provide heating fuel, blankets, and winter clothing to families in camps to cope with the extreme cold. He also implements campaigns during Ramadan to distribute food parcels and Iftar meals, reaching thousands of beneficiaries in each drive. A significant part of his work is dedicated to supporting orphaned children, where he seeks to secure monthly sponsorships to cover their living, educational, and healthcare costs. He documents their stories and highlights their needs to connect them with donors and ensure a better future for them.
