Who is Diana Hamade

Diana Hamade is the Founder and Managing Partner of Diana Hamade Attorneys at Law & Legal Consultants, and one of Dubai's leading lawyers renowned for her expertise in international family law and cross-border personal status disputes. With extensive qualifications and experience, Diana Hamade is recognized as a legal authority and is frequently consulted by courts in various jurisdictions for expert opinions on UAE law. Diana Hamade leverages social media platforms to raise awareness about sensitive legal issues, particularly those affecting families and expatriates in the UAE. Her digital content, marked by professionalism and depth, empowers individuals to understand their legal rights and responsibilities, reflecting her commitment to advancing social and legal justice. Diana Hamade's career stands as a testament to female leadership in the UAE's legal sector. She combines legal precision with human empathy in her practice and uses her media presence to provide valuable legal insights. This dual role as a legal expert and social advocate cements her status as an influential and pivotal figure in Dubai's legal landscape.
