Who is Doctor Nihal Affan

Doctor Nihal Affan is one of Saudi Arabia's leading dermatologists and aesthetic medicine specialists, with over 12-15 years of expertise in advanced dermatology and cosmetic treatments. Based in Jeddah at her private practice, Dr. Style Clinic, her professional reach also extends to Dubai. Renowned for her skill in diagnosing complex skin conditions, Doctor Nihal Affan is a trusted name in non-surgical aesthetics, delivering medical care that blends cutting-edge science with natural-looking results. Doctor Nihal Affan offers a comprehensive range of cosmetic procedures, including filler and Botox injections, thread lifts, advanced skin treatments, laser hair removal, pigmentation therapies, acne and acne scar solutions, as well as expert skincare routines and advice. She utilizes the latest medical technologies and globally recognized techniques, tailoring personalized treatment plans for each patient to ensure optimal outcomes. Her commitment to clinical precision and specialized care has earned her a loyal patient base both within Saudi Arabia and internationally. Beyond her clinical work, Doctor Nihal Affan is a prominent media and social media influencer in the aesthetics field, sharing educational and awareness content to promote healthy skincare practices and provide scientific solutions for common dermatological concerns. She also founded NA Skin, a dedicated skincare platform offering carefully curated products based on her medical expertise. The Dr. Style Clinic website highlights her extensive experience and provides detailed information about her services and appointments, reinforcing her status as one of the region's top dermatology and skincare experts.
