Who is Dr Abdelrahman Tarek

Dr. Abdelrahman Tarek is an Egyptian pharmacist and entrepreneur who has successfully merged his medical expertise with a passion for business. He graduated with a Bachelor's degree in Pharmacy from The British University in Egypt in 2017. He furthered his academic pursuits by earning a Master of Business Administration (MBA) in Global Management from Paris ESLSCA Business School in September 2022. With over eight years of experience in business and entrepreneurship, Abdelrahman has built a diverse professional career. He has held leadership positions in several notable companies, serving as Operations Lead at Dayra and playing a key role in the growth and change management at companies like TeKeya and DentaCarts. Alongside his corporate career, he has established himself as an influential medical content creator on social media platforms including YouTube, TikTok, and Instagram. Through his channels, he provides accessible and educational content on public health, nutritional supplements, and skincare, making him a trusted source of information for his audience.

Achievements of Dr Abdelrahman Tarek

Dr. Abdelrahman Tarek is a certified Project Management Professional (PMP) and has completed the prestigious McKinsey Forward Program, reflecting his commitment to continuous professional development in management and leadership. Throughout his business development career, he successfully closed deals with major multinational companies, including PepsiCo and Allianz, demonstrating his capability in strategic partnership building and commercial growth. As a content creator, he has built a strong and influential presence on social media, delivering reliable medical and scientific advice in pharmacy and public health. He has cultivated a significant following across his channels, where his videos cover topics like comparisons of nutritional supplements and general advice on skincare and wellness.
