Who is Dr.Amal Sewidan

Dr. Amal Sewidan is a prominent Saudi specialist in dermatology, cosmetics, and laser treatments, with over 12 years of experience in the field. She is currently a key member of the medical team at Dr. Health Clinics in Riyadh, where she provides a wide range of advanced cosmetic treatments. Her practice focuses on utilizing the latest non-surgical techniques and procedures, including fillers, Botox, and various laser therapies. Dr. Sewidan is known for her commitment to staying current with global advancements in cosmetic dermatology, which led her to earn a diploma from the American Academy of Cosmetics. Through her active social media presence, she shares skincare advice and showcases the results of her cosmetic procedures, reflecting her passion for enhancing natural beauty and boosting her patients' self-confidence. She stands out as a distinguished specialist in the Saudi capital, recognized for her precise and artistic approach to cosmetic injections.

Achievements of Dr.Amal Sewidan

Dr. Amal Sewidan holds a membership in the American Academy of Cosmetics, reflecting her commitment to international standards in aesthetic medicine practices. This membership provides her with continuous access to the latest research and advanced techniques in her field. She possesses over 12 years of professional experience in dermatology and cosmetic medicine. This extensive experience has equipped her with advanced skills in diagnosing and treating various skin conditions and performing a wide range of cosmetic and laser procedures with precision and efficiency. In 2023, Dr. Sewidan was honored by the management of Dr. Health Clinics in recognition of her expertise and dedication. The clinic celebrated signing a three-year contract with her, underscoring her position as a trusted and essential member of their medical team.
