## Who is Dr.Ebrahim Awad

Dr. Ebrahim Awad is a prominent Egyptian consultant in plastic surgery and body contouring, with extensive experience across Egypt and the Middle East. He has built a strong academic foundation, earning a PhD in Plastic Surgery from Menoufia University, a Master's degree from Ain Shams University, and a Bachelor of Medicine from Kasr Al Ainy. Dr. Awad specializes in a wide range of intricate and complex procedures, most notably liposuction, body contouring, tummy tucks, and various breast surgeries including augmentation, reduction, and lifts. Known for utilizing the latest advanced medical technologies and devices, Dr. Awad ensures the best possible outcomes with the highest safety standards. He is a certified trainer in plastic surgery for the Egyptian Fellowship, reflecting his esteemed position in educating the next generation of surgeons. In addition to his prestigious fellowships with the American Society of Plastic Surgeons and the Egyptian Society of Plastic Surgeons (ESPRS), he actively participates in the medical community, staying abreast of innovations in his field to provide outstanding patient care.

## Achievements of Dr.Ebrahim Awad

Dr. Ebrahim Awad has successfully performed over 2,000 cosmetic procedures, earning him a strong reputation and a high patient satisfaction rate throughout Egypt and the Arab world. This extensive experience highlights his exceptional skill in achieving desired aesthetic results. He holds a fellowship with the American Society of Plastic Surgeons, a prestigious membership awarded to surgeons who meet high standards of training, experience, and professional ethics. He is also a fellow of the Egyptian Society of Plastic & Reconstructive Surgeons (ESPRS). Serving as a certified trainer in plastic surgery for the Egyptian Fellowship, Dr. Awad directly contributes to mentoring and training new doctors in this precise specialty. This role solidifies his status as a leading expert and reference in his field.
