Who is Dr. Laith Alfathi

Dr. Laith Alfathi is a Syrian medical doctor specializing in Otolaryngology (Ear, Nose, and Throat - ENT), currently residing and practicing in Germany. He is well-regarded for creating educational medical content on social media, where he simplifies complex medical information for his Arabic-speaking audience in an accessible and direct manner. His content focuses on a variety of topics within his specialty, including common conditions like sinusitis, hearing problems, and allergies, as well as cosmetic procedures related to the face and nose. Dr. Alfathi works as a Resident Physician (Assistenzarzt) at the Department of Otorhinolaryngology, Head and Neck Surgery at the University Hospital Schleswig-Holstein (UKSH) in Kiel, Germany, one of the country's leading university medical centers. Through his clinical work and digital presence, he aims to build a bridge of trust and knowledge between doctors and patients, offering reliable preventative and therapeutic advice that empowers his followers to better understand their health.

Achievements of Dr. Laith Alfathi

Dr. Laith Alfathi has successfully built a strong and influential presence on social media platforms like YouTube, TikTok, and Instagram, becoming a trusted source for simplified medical information in Arabic. Through his videos, he provides scientific explanations on medical and cosmetic topics, significantly contributing to raising health awareness among a broad Arabic-speaking audience. He holds a position as a Resident Physician at the prestigious University Hospital Schleswig-Holstein (UKSH), a renowned academic medical center in Germany. Working within its Department of Otorhinolaryngology is a significant professional milestone, reflecting his medical competence and successful integration into one of the world's most advanced healthcare systems.
