Who is Dr.Osama Amer

Dr. Osama Amer is a prominent Egyptian dentist specializing in cosmetic and implant dentistry. He has gained widespread recognition as a leading practitioner of Digital Smile Design in Egypt. His private clinic, located in Sheikh Zayed, has become a premier destination for advanced cosmetic dental services, including veneers, E-MAX restorations, and dental implants. Dr. Amer is known for his focus on leveraging the latest dental technologies to achieve precise and natural-looking results. This approach has earned him the trust of a broad patient base, including numerous celebrities and artists from Egypt and the Arab world. He is a regular guest on various prominent television programs, where he offers expert advice on oral health and discusses the latest advancements in cosmetic dentistry, further solidifying his status as a trusted authority in his field.

Achievements of Dr.Osama Amer

Dr. Osama Amer is the preferred dentist for many public figures and celebrities in Egypt. He has designed the smiles of several well-known artists, reflecting the high quality of his work and the trust he inspires. Dr. Amer maintains a strong media presence, frequently appearing as a cosmetic dentistry expert on popular television shows across Egyptian and Arab satellite channels. He is regularly invited to discuss modern cosmetic techniques and provide guidance to viewers. He established his specialized clinic in Sheikh Zayed, equipping it with state-of-the-art global dental technologies such as Digital Smile Design (DSD) and CAD/CAM systems. This has positioned his clinic as a leading center for comprehensive cosmetic and implant solutions.
