Who is Ghazi Crypto

Ghazi Crypto is a leading cryptocurrency trainer and influencer in the Arab world. He began his journey as a trader in 2015, later becoming a dedicated crypto and blockchain educator in 2017. Through his YouTube channel, "Q8Three - Ghazi," he delivers high-quality Arabic content for both beginners and aspiring professional traders, and was among the first to launch comprehensive Arabic courses on digital assets. On his official website, "Q8Three.net," he introduces himself as: "I have been a crypto trader since 2015 and an Arabic content creator since 2017." With this background, Ghazi Crypto has built a wide audience and become a trusted source for those seeking to understand the complexities of crypto in clear, straightforward language. What sets Ghazi Crypto apart is his practical approach. He doesn't just focus on trading theories, but provides hands-on guidance—step-by-step tutorials on using trading platforms, account setup, verification, deposits and withdrawals, entry and exit strategies, and risk management—all in accessible Arabic. His "Binance Platform Course 2021-2022" series became a go-to resource for Arabic-speaking beginners. On his blog, he covers topics like crypto analysis tools, altcoin strategies, and the impact of global elections on the crypto market. This diversity has made him a practical mentor for anyone looking to navigate the market with confidence and knowledge. Beyond his educational role, Ghazi Crypto is highly respected in the Arab crypto community. He was named "Influencer of the Year 2022" by Binance for the MENA region. He believes that success in crypto comes not from quick tips or speculation, but from building a strong knowledge base, adopting an analytical mindset, and maintaining trading discipline. He encourages his audience to pursue continuous learning and stay updated on trends like Web3 and NFTs, which he regularly discusses. With over 100,000 followers on X (formerly Twitter) (@Q8Three), his influence is widely recognized across the region. In short, Ghazi Crypto is not just a crypto educator—he is a thought leader and content innovator, empowering a new generation of Arabic speakers to compete in the global crypto market.
