## Who is Hamid Alqwaysim

Hamid Alqwaysim is a Jordanian Marketing Consultant and Business Development Specialist, with expertise in online freelancing, including e-commerce, cryptocurrency, and forex. He is the Co-Founder of H2 Academy, an educational platform empowering Arab youth to achieve financial independence through online work, in partnership with Hasan Al Halabi. Through the academy, Alqwaysim delivers specialized training and consulting in digital marketing, Shopify store management, and trading. Beyond his role at the academy, Alqwaysim is also the Co-Founder of Tames Jordan, a company managing marketing campaigns for major Jordanian and international brands. He launched the "Tashah Youth Project," which received support from Zain Jordan and the European Union. Alqwaysim regularly shares his expertise and insights via the "H2 Talks" podcast with his partner, and maintains an active presence on social media platforms like Instagram and Facebook, where thousands follow his guidance in digital entrepreneurship.

## Achievements of Hamid Alqwaysim

Hamid Alqwaysim co-founded H2 Academy with Hasan Al Halabi, establishing a leading platform for online freelancing education in the Arab world. The academy offers a wide range of training programs and consulting services that have helped thousands of young people launch their own projects and generate online income. He founded the innovative Tashah Youth Project, which secured support from prominent organizations such as Zain Jordan and the European Union, and received a grant from the Hult Prize accelerator in the UK, reflecting its social impact and value. Alqwaysim is also the Co-Founder of Tames Jordan, a company specializing in marketing services and campaign management for major local and global clients. He has earned international recognition in digital marketing, holding four specialized Google certifications that underscore his deep expertise and command of the latest digital marketing strategies and tools.
