Who is Hanadi Alsheakh Ali

Hanadi Alsheakh Ali is a Syrian expert and certified therapist specializing in Sujok therapy and alternative medicine. She has dedicated her career to raising awareness about self-healing techniques, utilizing social media platforms like Instagram and YouTube to simplify therapeutic concepts for a broad audience. Through her visual and written content, Hanadi explains how to use Sujok techniques, which involve stimulating reflex points on the hands and feet, to address a wide range of physical and psychological ailments. In addition to her expertise in Sujok, Hanadi has expanded her skills into related fields. She is also an interior designer and a certified Feng Shui consultant, offering consultations and training courses to harmonize environmental energy for an improved quality of life. Furthermore, she holds the position of Director at the 'Trans-Ocean Institute for E-Training', reflecting her commitment to education and knowledge sharing. Hanadi regularly appears in television interviews, such as her appearances on Dijlah TV, where she discusses the principles and benefits of this Korean therapy, solidifying her status as a credible authority in the field.

Achievements of Hanadi Alsheakh Ali

As the Director of the 'Trans-Ocean Institute for E-Training', Hanadi Alsheakh Ali leads an educational institution dedicated to disseminating knowledge in alternative medicine and self-development. Through the institute, she provides specialized online training programs, making her expertise accessible to students worldwide. Hanadi is a frequent guest on television talk shows, having appeared on multiple episodes of "Dijlah TV" to discuss Sujok therapy and its practical applications. These media appearances have significantly contributed to simplifying this science for the Arab public and raising awareness about the benefits of complementary medicine. Hanadi Alsheakh Ali offers specialized training courses on well-known educational platforms such as "Tadarrab." Through these platforms, she delivers educational programs in diverse fields including Sujok, Feng Shui, and interior design, highlighting her varied expertise and her ability to train and qualify individuals in these specializations.
