## Who is Hasan Saad El Masri

Hasan Saad El Masri is a Lebanese financial markets strategist and entrepreneur based in Dubai, United Arab Emirates. He is best known as the founder of Trade With Trust (TWT) Academy, an educational platform specializing in financial markets trading, with a primary focus on the Forex market. Through his social media channels, including YouTube and Instagram, El Masri provides educational content aimed at simplifying complex trading concepts for both novice and experienced traders. His educational approach centers on specific strategies such as Smart Money Concepts, where he shares his market analysis and strategic insights with his community. Through TWT Academy, he offers comprehensive training courses and educational materials designed to empower traders to make informed decisions and deeply understand market dynamics. Hasan Saad El Masri combines his practical trading experience with a passion for education, establishing himself as an influential figure in the Arab trading community, where he strives to promote financial literacy and a culture of trading built on trust and knowledge.

## Achievements of Hasan Saad El Masri

Hasan Saad El Masri founded the Trade With Trust (TWT) Academy, a comprehensive educational platform offering specialized courses in Forex trading. The academy has successfully built a large and active community of Arab traders who benefit from the educational content and regular analysis he provides through various channels like Telegram and YouTube. El Masri is distinguished by producing high-quality educational content focused on advanced strategies like Smart Money Concepts. This content has helped a significant number of traders develop their skills and improve their market performance. Building a trusted brand in the trading education sector is one of his key achievements, emphasizing transparency and knowledge as the foundation for success.
