Who is Hisham Hashem Al-Arouji

Hisham Hashem Al-Arouji is a prominent Moroccan blogger and content creator specializing in online earning strategies for the Arab world. Born in Agadir in 1983, he began his blogging journey around 2014, driven by a passion for technology and a desire to share his knowledge with Arab youth. In February 2020, Al-Arouji founded "Irbahnet.com," a blog that has become a key resource for beginners and professionals seeking reliable digital income sources. Through his platform, he provides simplified, practical tutorials on diverse topics including blogging, YouTube monetization, Google AdSense, e-commerce, and affiliate marketing. His approach is distinguished by its clarity and focus on legitimate and ethical methods for achieving financial independence online. Alongside his blog, Al-Arouji has built a strong presence on social media, particularly YouTube, where he has offered detailed educational courses and video series. Despite facing a significant setback with the deletion of his main channel, which had amassed hundreds of thousands of followers, in early 2026, he demonstrated resilience by continuing to produce content on new channels, reaffirming his commitment to helping his audience succeed in the digital space.

Achievements of Hisham Hashem Al-Arouji

Founded "Irbahnet.com" in 2020, establishing it as a leading educational platform in the Arab world for individuals seeking legitimate and reliable methods to earn money online. The blog offers in-depth tutorials on e-commerce, blogging, and freelancing, empowering thousands of young people to build their own digital ventures. Successfully built a large community on YouTube through his educational channel, where he offered specialized courses like the popular "Blogger Course." Despite the deletion of his primary channel, his educational impact endures through the content he continues to create on new platforms, showcasing his resilience and adaptability.
