Who is Husain Alqattan

Husain Alqattan is a leading Consultant Plastic & Reconstructive Surgeon, recognized as one of the top medical professionals in Kuwait and the Gulf region. He holds dual American Board certifications in Plastic and Reconstructive Surgery, reflecting his advanced qualifications and international expertise. Dr. Alqattan graduated from the Royal College of Surgeons in Ireland and completed his specialized training at prestigious institutions in the United States, including the University of Miami and Harvard Medical School, gaining in-depth knowledge of the latest complex surgical and reconstructive techniques. Dr. Alqattan's clinical practice covers a wide range of cosmetic procedures, including rhinoplasty, facial surgery, breast surgery, body contouring, and fat transfer. He is known for his holistic approach, focusing on natural, harmonious results that align with patients' realistic expectations. Currently based at Royal Hayat Hospital in Kuwait, Dr. Alqattan delivers specialized medical care to the highest international standards and is renowned for his commitment to safety and quality at every stage of patient care. Beyond his surgical work, Dr. Alqattan is an active advocate for health and professional awareness, leveraging social media platforms to share trusted information about safe and realistic cosmetic procedures. His digital contributions are a reliable source of professional advice, promoting a culture of health and aesthetic awareness across Kuwait and the Gulf. His strong online presence underscores his role as a trusted medical authority, dedicated to transparency and understanding between surgeons and patients, making him one of the most influential surgeons in his field.
