Who is Hussun M Bazzar

Hussun Bazzar is a Palestinian awareness coach and a consultant in personal and spiritual development. Her professional mission is centered on the concept of "reprogramming the mind to create reality." She believes that individuals have the power to reshape their life's trajectory by changing the deep-seated beliefs within their subconscious mind. Bazzar offers her expertise, which spans over seven years in the self-development coaching field, through her online platform, "Turning Point School" (نقطة تحول School). Through this platform, she provides a range of training courses and private consultations aimed at empowering individuals to achieve positive transformation. Her courses cover diverse topics, including identity reprogramming, achieving financial abundance, overcoming fears, and activating universal laws of attraction. In the content she delivers via her YouTube channel, "HussunsTalk," and other social media platforms, Bazzar focuses on simplifying deep spiritual concepts and presenting them in a practical manner, helping her followers apply these principles in their daily lives to achieve their goals and manifest a new reality.

Achievements of Hussun M Bazzar

Hussun Bazzar founded the digital platform "Turning Point School" (نقطة تحول School), establishing it as the central hub for her specialized training programs in awareness and self-development. Through this platform, she has launched a series of courses that have garnered interest from her audience, including "Rewire," which focuses on reprogramming and spiritual connection for wealth attraction, "The Wealth Equation," centered on practical exercises to create an energetic state of abundance, and "The Screenwriter/Author," designed to empower individuals to rewrite their life's script. She has successfully built an influential presence on social media platforms, particularly through her YouTube channel, "HussunsTalk." On this channel, she consistently delivers content on awareness, the laws of attraction, and self-development, positioning herself as a key resource for her followers seeking guidance in this field. She also offers individual consultations and private coaching sessions to help her clients achieve their personal and spiritual goals.
