Who is Maha Abushanab

Maha Abushanab is a Jordanian pharmacist specializing in medical cosmetology and skincare. She has built a significant reputation through social media platforms by providing simplified and reliable medical content to her followers. Her content primarily focuses on explaining the benefits and uses of dietary supplements, vitamins, and skincare products, as well as debunking common health and beauty myths. Dr. Maha employs an interactive approach, answering follower inquiries and offering practical, science-based advice from her pharmaceutical background. Through video content on platforms like Instagram and TikTok, she has successfully built a relationship of trust with her audience, establishing herself as a go-to source in Jordan and the Arab world for information on pharmaceutical and cosmetic products. Her activities also include collaborating with various brands in the health and beauty sector to provide product reviews and evaluations.

Achievements of Maha Abushanab

Maha Abushanab has successfully established herself as an influential figure in health and beauty awareness in Jordan through digital media. She provides specialized content on dietary supplements like iron and vitamin C, and explains the differences between various medications such as Glucophage, contributing to greater health literacy among a broad audience. She frequently collaborates with brands in the pharmaceutical and cosmetics sectors, offering her followers discount codes and trusted product reviews. This activity not only enhances her credibility but also positions her as a key link between companies and consumers seeking expert pharmaceutical advice.
