Who is Mohamad Shkear

Mohamad Shkear is a Syrian entrepreneur and real estate consultant based in Istanbul, Turkey. In 2018, he founded Number One Real Estate, a firm specializing in providing services and consultancy to foreign investors, particularly from the Arab world, seeking to purchase property in Turkey. Shkear focuses on simplifying the legal and purchasing processes for real estate and offers in-depth advice on the best investment opportunities that qualify for Turkish citizenship. Shkear effectively utilizes social media platforms like Instagram, YouTube, and TikTok to deliver rich educational content about the Turkish real estate market. Through his videos and posts, he offers detailed explanations of real estate laws, conducts field tours of residential projects, and provides analysis of market trends. This has established him as a trusted authority for Arabic-speaking investors. His work combines on-the-ground experience with legal knowledge, offering clients integrated solutions that cover consultation, property selection, and the completion of purchase and citizenship procedures.

Achievements of Mohamad Shkear

In 2018, Mohamad Shkear founded Number One Real Estate in Istanbul, successfully establishing it as a prominent agency serving Arab investors in the Turkish real estate market. The company provides comprehensive services, from initial consultation to property management. Shkear has built a strong and influential digital presence across multiple platforms, becoming a key source of information for those interested in Turkish real estate investment. Through his content, he provides analyses and guidance that have helped thousands of followers understand market complexities and make informed investment decisions.
