

Mohammad Slaiby

Dermatology and Aesthetics Physician

Syrian - Syria

[Read More](#)

Who is Mohammad Slaiby

Dr. Mohammad Slaiby is a Syrian physician specializing in dermatology, venereology, and aesthetic medicine. He operates his private clinic in the Mezzeh district of Damascus, where he provides a wide range of therapeutic and cosmetic services. Dr. Slaiby's practice focuses on modern aesthetic procedures, and his activity on social media platforms like Instagram and TikTok showcases his use of techniques such as fillers, Botox, and various laser treatments, in addition to offering specialized skincare and hair care advice. Through his digital content, Dr. Slaiby shares the results of his work and before-and-after cases of his patients, reflecting his expertise in non-surgical skin enhancement. He targets a broad audience of followers seeking solutions for various skin conditions and aesthetic improvements. Despite his digital presence, detailed and verified information about his academic career or memberships in medical associations is not publicly available.

Achievements of Mohammad Slaiby

Dr. Mohammad Slaiby has successfully established a prominent professional presence in Damascus through his specialized dermatology and aesthetics clinic. He is an active physician on social media, using these platforms as an effective tool to educate the public on skin health and introduce the latest cosmetic procedures, which has helped build a large following and trust among his patients.
