Who is Mr.Wael aklouk

Wael Aklouk is a Jordanian entrepreneur, author, and real estate consultant of Palestinian origin, with over 15 years of extensive experience in the real estate market. After graduating as a Chemical Engineer from the Jordan University of Science and Technology, he ventured into the world of entrepreneurship. He founded his first real estate company, "Golden Keys for Real Estate," in 2008, which he successfully managed until 2011. In December 2011, Aklouk founded his second company, "Imtilak for Real Estate," where he serves as the Founder & CEO. Through Imtilak, he has provided specialized real estate consultancy, enabling numerous investors to make successful decisions. Alongside his career in real estate, Wael has emerged as an influential content creator on social media platforms. He shares his professional and practical experiences using an inspiring storytelling approach, aiming to motivate youth and offer insights into entrepreneurship, investment, and self-development. He is also an author, channeling his life and business experiences into his writings to provide practical, applicable advice.

Achievements of Mr.Wael aklouk

Wael Aklouk founded his first real estate company, "Golden Keys for Real Estate," in 2008. He successfully led the company for three years, gaining deep experience in the Jordanian real estate market before moving on to his next venture. In 2011, he launched his second company, "Imtilak for Real Estate," assuming the role of CEO. Under his leadership, the company has become a trusted platform for real estate consultancy and services, operating successfully for over a decade, which reflects his sustainability and adaptability in a dynamic market. He has successfully built an influential digital presence as a content creator and author, followed by a wide audience on platforms like Instagram and TikTok. Through his content, he provides advice on entrepreneurship, real estate investment, and personal development, establishing himself as a source of knowledge and inspiration for Arab youth.
