Who is Odai Tubishat

Odai Tubishat is a dynamic Jordanian attorney recognized for his expertise in both civil and Sharia law. As the founder of Al Adalah Law Firm & Legal Consultancy, he is known for his sharp focus on cases that impact everyday life and for delivering precise, actionable legal advice. His strong presence in the legal scene—especially in Amman and Irbid—has made him a sought-after advocate across a wide range of cases. Odai Tubishat specializes in litigation and legal representation in civil, criminal, and personal status cases, with a steadfast commitment to defending his clients' rights. He places special emphasis on proactive legal consultation, believing that prevention is better than cure. His dedication has led to positive outcomes in numerous cases, earning him a strong reputation within the legal community. Odai Tubishat is also known for his exceptional activity on social media platforms, particularly TikTok and Instagram, where he is followed by hundreds of thousands. He leverages these channels to share accessible legal content and educational videos on individual rights and responsibilities, establishing himself as one of the most influential digital legal educators in the Kingdom.
