Who is Ramy Alanany

Dr. Ramy Alanany is one of the leading Consultant Plastic & Laser Surgeons in Egypt and the Arab world. With a solid academic foundation, he holds a PhD in Plastic Surgery from Cairo University, which set the stage for his distinguished career. His scientific credentials are further reinforced by a Fellowship from the Royal College of Surgeons of England (RCS), reflecting his commitment to the highest global standards in medical practice. Dr. Ramy Alanany's impact extends beyond local practice—he is an active member of the International Society of Aesthetic Plastic Surgery (ISAPS) and the American Academy of Cosmetic Surgery (AACS), placing him among internationally recognized surgeons. Renowned for pioneering innovative techniques, he is especially known for advanced body contouring using Ionic Liposculpture, as well as developing cutting-edge methods in integrated filler injections (RAM CODES). As a certified international trainer and lecturer, he shares his expertise with physicians worldwide. With a strong presence on social media, Dr. Ramy Alanany has earned widespread recognition and the title "Celebrity Plastic Surgeon," making him an influential figure in the field. His success is built on a blend of surgical precision and technological innovation, with a focus on delivering natural, balanced results for his patients. His ongoing commitment to medical education and scientific research ensures he remains at the forefront of advancements in plastic surgery, further elevating Egypt's status as a regional center of excellence in the field.
