## Who is Renna

Renna Ghulam, known as "Renna," is an Algerian beauty expert and content creator based in the UAE. Renowned as one of the most influential names in the beauty industry on social media, she transformed her passion for art and painting into a successful career in makeup artistry. Originally from eastern Algeria, Renna quickly gained widespread recognition for her unique makeup style and her ability to highlight beauty in creative ways. Through her Instagram, TikTok, and YouTube platforms, she shares a diverse range of content, including makeup tutorials, cosmetic tips, and stunning client transformations. Beyond content creation, Renna has established herself as a certified makeup trainer, offering specialized masterclasses for both professionals and enthusiasts in Dubai in collaboration with organizations like ArtMission. She has appeared in TV interviews, such as her feature on the "Dardashat" program on Al Mashhad TV, where she discussed her success story and the challenges she faced in the beauty industry.

## Achievements of Renna

Renna Ghulam led advanced makeup masterclasses in Dubai in collaboration with ArtMission in September 2024, training both professionals and enthusiasts on the latest beauty techniques, solidifying her status as an international trainer. She was featured on the "Dardashat" program on Al Mashhad TV, where her career journey and success as a leading Algerian beauty expert in the Arab world were highlighted. During the interview, she shared how she transformed her passion for art into a professional makeup career. Renna has built a strong and influential presence on social media, providing specialized beauty and makeup content. She is a trusted source of inspiration and education for her followers and collaborates with numerous celebrities and well-known personalities across the Arab world.
