## Who is Sulaiman Aturky

Sulaiman Aturky is a Jordanian entrepreneur based in Turkey, known for providing comprehensive consulting services for Arabs visiting or planning to settle in the country. He founded his private company, "Sulaiman Al Turki Company," to serve as an all-in-one portal for facilitating legal, investment, and tourism-related procedures. His digital content on platforms like YouTube and Instagram focuses on explaining the details of obtaining various types of residency permits, establishing companies, and purchasing real estate, in addition to offering practical advice on daily life in Turkey. Through his company, Aturky offers a wide range of solutions, including tourism services like flight and hotel bookings, car rentals, and the organization of VIP tours. He also specializes in assisting investors and business people with legal and administrative matters, such as processing work permits, registering trademarks, and providing essential consultations for entering the Turkish market. Sulaiman combines his role as an influential content creator and an entrepreneur, using his platforms not only to promote his services but also to educate the Arab audience about the opportunities and challenges in Turkey.

## Achievements of Sulaiman Aturky

Sulaiman Aturky established his eponymous company to offer a complete package of services for Arabs in Turkey. The company covers multiple crucial areas, including securing all types of residency permits (tourist, student, real estate), company formation, and providing legal consultations related to investment. He has successfully built a strong digital presence on social media, using his platforms to provide valuable and reliable information about government procedures and investment opportunities in Turkey. His content has become a reference for many of his followers, which has enhanced his company's credibility and attracted a broad client base. Aturky expanded his service offerings to fully encompass the tourism sector. He provides car rentals, hotel bookings, and comprehensive tour packages, in addition to airport transfer services, ensuring a seamless and comprehensive experience for visitors to Turkey.
