Who is Taimoor Al Bulushi

Taimoor Al Bulushi is a leading Senior Consultant Plastic & Reconstructive Surgeon, recognized as one of the top medical professionals in Oman and the Middle East. With over 25 years of hands-on experience, he holds prestigious international certifications, including European, American, and British boards in plastic surgery (EBOPRAS, FACS, FRCS(Plast)), making him a triple-board-certified surgeon committed to the highest global standards of surgical care. His expertise is especially distinguished in craniofacial surgery, cleft repairs, hand and burn surgery, as well as other complex aesthetic procedures. Taimoor Al Bulushi holds several leadership roles, including Founder and Head of the Craniofacial Surgery Unit in Muscat and President of the Oman Society of Plastic & Reconstructive Surgeons (OSPRAS), underscoring his pivotal role in advancing the specialty in Oman. His scientific contributions are reflected in published research and active participation in international medical conferences, establishing him as a reference in specialized fields such as skin cancer surgery and male breast surgery. This depth of knowledge and clinical expertise positions him among the most trusted experts for innovative, natural, and reliable surgical solutions. Beyond his clinical excellence, Taimoor Al Bulushi is an influential presence on social media, particularly Instagram, where he regularly shares trusted medical information and successful case studies. His digital outreach enhances public health awareness and builds trust with his audience, reinforcing his reputation as a thought leader and authority in plastic and reconstructive surgery across the Gulf region.
