Who is Tariq Ayad Al-Bishri

Tariq Ayad Al-Bishri is a Saudi media personality and content creator specializing in talk shows and meaningful religious and social content. Born in 1972 in the village of Al-Shamiyah in the Asfan center, Al-Jumum governorate, he later moved to Riyadh to pursue his higher education. He is a graduate of the King Fahd Security College, a background that provided him with a foundation of discipline and intellectual depth. Al-Bishri has gained significant prominence in the digital media landscape through his talk show, "Khabaia Podcast," where he hosts successful and influential figures from various fields to share their inspiring stories and experiences. He also presents "When the Quran Speaks" ("حين يتكلم القرآن"), a series of short, reflective videos focusing on the contemplation of Quranic verses and their impact on daily life, produced in collaboration with Bareqah Media Production. His content is characterized by its focus on positive values, optimism, and telling real-life stories in an engaging and impactful style, which has earned him a substantial following across social media platforms.

Achievements of Tariq Ayad Al-Bishri

Tariq Al-Bishri founded the successful talk show "Khabaia Podcast," a platform where he interviews prominent community figures to discuss their experiences and success stories. The podcast has achieved widespread reach, attracting an audience interested in inspirational content and self-development. He also presents "When the Quran Speaks" ("حين يتكلم القرآن"), a video series produced by Bareqah Media Production. The series focuses on delivering Quranic messages and religious reflections in a modern and impactful style. Its episodes have gained significant popularity on platforms like YouTube and Instagram, contributing to the spread of accessible religious awareness.
