## Who is Thunayyan Khalid

Thunayyan Khalid is a pioneering Saudi vlogger and one of the leading daily vlog creators in the Arab world. He first rose to prominence as a scholarship student in Canada, documenting his daily life on his YouTube channel "Thunayyan Khalid: The Life of a Saudi Student Abroad." With a simple and authentic style, Thunayyan shared every aspect of the study-abroad experience—from housing and academics to part-time work, shopping, and cooking—making him a relatable figure for thousands of Saudi students who saw their own feelings reflected in his journey. After returning to Saudi Arabia, Thunayyan continued producing videos, evolving his daily vlogs to include travel adventures and series focused on volunteering and charitable initiatives. He consistently presents a positive image of the modern Saudi youth: open to the world yet proud of his culture. His channel has amassed over 3 million subscribers and millions of cumulative views. Known for his calm and respectful demeanor, Thunayyan has earned deep trust and respect from his audience, never resorting to sensationalism or unmeaningful content. On Snapchat, tens of thousands follow his quick daily updates and candid commentary, fostering a closer and more interactive connection. Thunayyan Khalid has been recognized by YouTube as one of Saudi Arabia's top content creators and has become a brand ambassador for several tech and telecom companies, leveraging his reputation as a beloved "big brother" figure among youth. Thunayyan Khalid exemplifies authentic, real-life storytelling and stands as a role model for aspiring daily vloggers seeking professionalism and excellence.
